## iiPay and Texas Payroll Association Partner to Support Susan G. Komen® Greater Fort Worth

Company Raises Awareness and Funds for Susan G. Komen® Greater Fort Worth at Texas Payroll Conference

**Dallas, Texas** - [Integrated International Payroll \(iiPay\)](http://www.iipay.com), a market leader in cloud-based global payroll, partnered with the Texas Payroll Association at its 28th annual payroll conference to increase awareness and raise funds for Komen Greater Fort Worth's mission to end breast cancer. iiPay and the Texas Payroll Conference attendees shared a common vision: placing value on making a positive and sustained impact on the communities in which they live, work, and play.

iiPay served as the named sponsor of the charity-focused event at the industry conference held September 20-23, 2017, in Irving, Texas. The breast cancer awareness event was part of an ongoing effort to raise awareness for breast cancer and honored Susan G. Komen® Greater Fort Worth, an affiliate of the world's largest breast cancer organization outside of the federal government. Susan G. Komen® has funded nearly \$1 billion in research and provided more than \$2 billion in funding to screening, education, treatment, and psychosocial support programs.

"We're honored and humbled to have an opportunity to sponsor such an impactful breast cancer awareness initiative," iiPay CEO Bob Foster said at the conference. "We have several of our own team members who have been impacted by breast cancer, either themselves, or a friend or family member. Everyone has been touched, in one way or another, by this disease and we're pleased to stand alongside Susan G. Komen® Greater Fort Worth to raise awareness for breast cancer."

-more-

Tracey Boyes, Executive Director of Susan G. Komen® Greater Fort Worth thanked iiPay for the honor of partnering for this event. She said she walks away from events such as this “invigorated with a new appreciation for those employees and companies that have offered their support, their time and donation dollars to the fight against breast cancer.” Boyes said the donation from iiPay makes a measurable impact in our local community and that “as a company, iiPay is More Than Pink.”
